

BEST AIRPORTS

06. September 2009

Bangkok Airways & Samui Airport ranked in the World's Top Ten airports.

Samui Airport was announced the world's top ten in the "Best Airports Worldwide?" category for the 4th consecutive year whilst Bangkok Airways is ranked in the top ten in the "Best Cabin Service Worldwide?" category following an annual "Best Asian Travel Brand 2009?" poll surveyed by one of Asia's forefront online travel magazine, Smart Travel Asia. Samui Airport, the only regional airport on the list, sees over six million passengers and more than 15,000 flights per year mainly by Bangkok Airways and other airlines such as Thai Airways International. Samui Airport serves domestic and international direct flights to and from Bangkok, Phuket, Krabi, Chiang Mai, Pattaya (U-Tapao), Krabi, Singapore, Hong Kong, Penang and Kuala Lumpur.
